Dreams and Ideas

February 2021

As you think about how you might serve others, we invite you to dream about the ways in which your gifts and talents might be best engaged. In addition to serving at your church, consider the following:

1. Serving and supporting veterans.
2. Assisting others in learning English.
3. Mentoring teens.
4. Setting up or administering micro loans for business in underserved communities.
5. Career coaching for low wage workers.
6. Providing medical care, including offering medicines and medical supplies to the poor and underserved.
7. Feeding the hungry, specifically communities and families at the end of the month so they will not be without food.
8. Online learning programs for the unemployed to equip them with skills to get a new job.
9. Assistance for teen mothers including providing diapers, formula, clothing, Daycare and/or educational assistance to complete their high school education or prepare for college
10. Providing therapy and/or health care for economically-disadvantaged children with disabilities.

As we emerge from the restrictions of COVID could you:

1. Facilitate events that help those who have been so isolated re-engage?
2. Be a companion to those who are lonely and/or struggle with depression and anxiety issues?

Of course, the possibilities are endless. If you have an idea for ministry or service that would suit your talents, please let us know.
